### School Sports Uniforms

With the building of the new admin block and changes to the cleaning cupboard and old sickbay the current admin block has been in an upheaval this term. Everything out of place, as such our school sports uniforms which are usually packed away tidily have been place in a pile and become dirty.

Are there any volunteers among our parents who would be prepared to take the uniforms home and give them a wash so they are clean and fresh for next term? If you are able to take some home please could you fill in the slip below and return it to school as soon as possible.

It would be very much appreciated, thank you.
