With Knowledge We Grow

15 August 2017

Dear Parents and Caregivers,

On Wednesday 23rd August, BNZ staff will be coming to Orere School as part of their "Closed for Good" programme to help weed, clear and plant in the Native Bush.

We have decided to make a day of it and have the whole school completing projects for the day.

Children will be working in house groups competing for house points. We would love parents to come along and get stuck in with us.

We will be building, painting, cleaning, planting and organising. If you can help out for the day please return the slip below.

We will supply all workers with a sausage sizzle lunch.

Thanks
Orere BOT and Staff
