

Orere School News

January 2019

Kia orana, Greetings, Talofa lava, Malo e lelei, Tēnā koutou, Bula vinaka

Welcome back to school! The teachers have spent the last week planning a fantastic year of learning. It is going to be a very hot term so please make sure the children have cool clothes, a hat and sunscreen on everyday. We have sunscreen at school for the children to use. The children need a hat they can leave at school.

We would like the children to bring a named water bottle to school that will stay here for the term. We will wash them and keep them filled with water in the classroom for the children to use throughout the day.

We are planning to have water play at the end of each lunch time to help the children stay cool. Please send a towel to school each day in their school bag so they can dry off. You can also send a change of clothes if you wish. We are happy for the children to be in class with damp clothes in the heat.

Stationery

We have purchased the stationery for the year. You will be invoiced for \$40.00 per child. Buying in bulk allowed us to keep the cost low for families.

Year 7 & 8 Tech

We will now be doing Tech at Orere School. We are really excited about being able to offer a quality programme for our children. Tech fees for the year are \$95.00 per child. This money will go towards resources the children will be using throughout the year. Term 1 will be cooking with Mrs Parker.

Invoices will be sent out to each family with these cost and school fees on them. If you have any concerns about paying these costs please contact the school.

Our 2019 House Leaders

SWIMMING

Kaiaua school have kindly offered the use of their school pool for swimming. We will be having a week of intensive swimming lessons. We will need to hire a van and have a few parents to transport the whole school.

We are asking parents to pay \$10 per child towards the cost of transport and a donation to Kaiaua school for the use of the pool.

YUMMY STICKERS

Please keep collecting yummy stickers and sending them to school.

We are collecting for next years sports equipment.

Thanks for your support.
