

Room 2.

Hi everyone

Welcome back to another exciting term. I hope you all had enjoyable holidays and made the most of the good weather.

We have started this year with 17 students in Room 2. A big welcome to Sadie and Jayden.

Due to a drop in our roll numbers I will be teaching Mon.-Wednesday mornings only this term. Evan will teach Mon/ Tues afternoons and from Wednesday afternoon through to Friday.

This term we will be a busy one. We have lots of exciting things planned. We are trialling letting the children use blue pens for their work. They will still use pencil for Maths. We found a lot of time being wasted sharpening pencils so we will see how it goes.

We plan to make better use of our Ipads and tablets this term. We are looking at downloading more apps for the tablets and the Ipads which means won't be so reliant on the internet. We are happy if students bring their own devices to school as long as they follow the rules for their use.

We are hoping to continue our Discovery Programme which was so successful at the end of last year. Our focus will be on the children learning how to take turns and share.

Library will still be on Wednesday afternoons and Assembly on Thursdays.

We start the day with a Fitness session and for P.E we will be covering small ball skills/ cricket skills as well as swimming as much as we can.

Well that's about it ... I'm looking forward to a great term.

Remember if you have any questions or queries don't hesitate to get in touch with me.

Kind regards
Jo McLeod
