

Hi everyone

It has been a busy start to our term. At the beginning of the year we are trying to establish really good routines- bringing their book bag every day etc. and appreciate your support in this.

It was great to see so many of you at parent interviews on Monday night. Thank you making the effort to come and we are always very happy to share any information that will help your child.

Our theme for the term is Financial Literacy. On Monday the class listened to Jeremy from the ASB Bank explaining the importance of saving money, the difference between an etpos card and a credit card. It was very entertaining as well as informative.

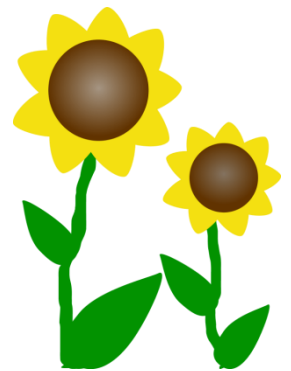

Room 2 has been working hard on their writing and already I have noticed an improvement in sounding out words. Today we planted some sunflower seeds in a tray. Some of the seeds were dwarf size and others were the giant ones so it will be interesting to see which grows the best. The class wrote some lovely stories.

Here are some of them.....

Today I planted a sunflower with dirt. Everyone put sticks on the sunflowers. It was fun.- Bailey

We all planted a sunflower seed. -Kate

Today I planted a sunflower. I love sunflowers. It is my first sunflower. I have seen a big one. -Maniyah

Thank you for your continued support.
